## Camp Pressley at Greenville.

At the reunion in Greenville last week Camp Pressley, of Williamsburg county was well represented. From the lists of visitors present at the reunion we find the following:

S P H Elwell, Kingstree, I, 23 S O V, Col. Jas E Dunlop, Williamsburg, 2 Ga Cav, D E Gordon, Williamsburg, I, 4 S C V, T M Gilland, Williamsburg, I, 4 S C V, R D Rollins, Williamsburg, G, 26 S C V, I W Graham, Williamsburg, 10 S C V, A W Flagler, Williamsburg, 6 S C V, S G McClary, Williamsburg, 10 S C V, Louis Jacobs, Williamsburg, Buckman's Co. At one session, after addresses had been made by various prominent men, on the subject of erecting a monument to the women of the Confederacy. Chaplain S. P. H. Elwell was presented and said that but for his deep interest in the cause he would not speak at all, because he was sick. He pathetically pictured the return of the Confederate soldiers, and how the women were unconquered and cheered the retreating troops. It has been said that but for the women the war would have ended in a year. Less than to build this monument cannot be done. In the name of God let not the valor of the Southern women be unmarked. His heart was bubbling over in the work. He asked the endorsement of the young women. They ought to be as proud of their mothers as of their fathers. He was willing to erect a monument for the whole South, but South Carolina led the way, let her be first to erect a monument to her women, and he wanted it in some place in South Carolina. He wanted substantial evidence to night he wanted some idea of what would be raised, and if not secured it would do no harm to promise it, and do the best to try and raise it. The resolutions were adopted. The roll was called to see how much each camp would try to raise. Over \$3,000 was raised at once.

At the election of officers Dr. Elwell was re-elected chaplain of the State camp.

It is said the dressmakers of Klondike get \$50 for making a mother Hubbard. When society improves a little they will get thirty days.—Richmond Times.

One of the royalist organs in Havana says, speaking with reference to the war: "We have arrived, by effect of circumstances that impose themselves in a violent manner, to the near period of the great and transcendental solutions." That is the proud old Castilian way of saying: "We're licked."—New York Mail and Express.

Physicians all over the county are prescribing Norman's Neutralizing Cordial. They feel assured that there is no finer remedy for the disease it claims to cure viz: Dyspepsia and all forms of stomach troubles. A H Mood, Ridgeville, S. C., writes: "Send it immediately. Physicians are waiting for it." 25 and 50c. "In several cases Norman's Indian Worm Pellets have performed wonders." Dr. J W Quillian, Easley, S. C. 10 and 25c. Sold by all druggists.

Mr. Quay doesn't count his chickens before they are hatched, but he knows how to run the political incubator.—Washington Post.

President McKinley's Cuban policy should certainly be a strong one, as promised. It has had a long time to train.—St. Louis Republic

Editor Pulitzer's indorsement of republicanism reads like an imitation of Mr. Dana's unquenchable bursts of 12-1-2 cents patriotism.—Atlanta Constitution.

**Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.**

The striking miners continue to insist on sixty-nine, and the demand does not seem extravagant.—Boston Transcript.

A discolored, faded or gray beard does not appear tily, but may be made so by Buckinham's Dye for the whiskers, which colors an even brown or black.

Hon. Arthur Pue Gorman is an expert in the art of remaining passive under the criticism of his enemies.—New York Journal.

The press speaks very highly of Norman's Neutralizing Cordial. The Sunday Record of Atlanta said: "We are not in the habit of praising patent medicines, but have tried Norman's Neutralizing Cordial in three instances with the best results and recommend it to do all that is claimed for it." Only 25 and 50c. You can rely on Norman's Indian Worm Pellets, 10 and 25c. Sold by all druggists.

**MOTHER!** There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it, so assists nature in the change taking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but **MOTHER'S FRIEND**

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer. HENDERSON DALE, Carmi, Illinois.

Of Druggists at \$1.00, or sent by mail on receipt of price. Write for book containing testimonials and valuable information for all Mothers, free. The Bradford Regulator Co., Atlanta, Ga.

Feeding a hungry world is an occupation of which Uncle Sam never tires.—Baltimore American.

**No Cure, No Pay.** That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter, nauseating Tonics. Price, 50c.

The farmer last year talked money, but this year he is putting money in his pocket.—Nashville American.

**To Cure Constipation Forever.** Take Cascarets Candy Cathartic, 10c or 25c. If C. C. C. fail to cure, druggists refund money.

Calamity will go to the Klondike with the gold hunters. We are apt to hear its wail from up there this winter.—Nashville American.

Cures Fever In One Day.

The most unmistakable sign of returning prosperity which has thus far manifested itself was developed at a populist convention in Kentucky, which was attended by fewer delegates than there are offices to be filled.

Seaview, Va.—We have a splendid sale on Chamberlain's Cough Remedy, and our customers, coming from far and near, speak of it in highest terms. Many have said that their children would have died of croup if Chamberlain's Cough Remedy had not been given.—Kellam & Ourren. The 25 and 50 cent sizes for sale by Dr. Wallace.
